

# Privacy Policy – Doriru

**Last updated:** 03/31/26

At **Doriru**, we respect your privacy. This Privacy Policy explains how we collect, use, and protect information when you use our application.

## 1. Information We Collect

**Doriru does not collect personally identifiable information.**

The only information we collect is related to the technical performance of the app, including:

- Performance data (e.g., load times, feature usage)
- Error and crash reports

This information:

- **Is not linked to your identity**
- **Cannot be used to personally identify you**

## 2. How We Use Information

The collected information is used solely to:

- Improve app stability
- Fix bugs and crashes
- Optimize overall performance
- Enhance user experience

## 3. Data Sharing

We do not sell, rent, or share your information with third parties.

All collected technical data is used strictly for internal purposes to improve the app.

## 4. Data Storage and Security

We take reasonable measures to protect the collected information from unauthorized access, alteration, or destruction.

Since we do not collect personal data, associated risks are minimal.

## **5. Device Usage**

Doriru is primarily designed for tablets, but it can also be used on mobile phones. Technical data collection works the same across all supported devices.

## **6. Changes to This Policy**

We may update this Privacy Policy from time to time. Any changes will be communicated within the app or through appropriate channels.

## **7. Contact**

If you have any questions about this Privacy Policy, you can contact us at:
